## HEALS DAY AND NIGHT

It is a new way. It is something absolutely different. No lotions, sprays or sickly smelling salves or creams. No atomizer, or any apparatus of any kind. Nothing to smoke or inhale. No steaming, or rubbing, or injections. No electricity or vibration or rubbing, or injections. No electricity or vibration or massage. No powder; no plasters; no keeping in the house. Nothing of that kind at all. Something new and different—something delightful and healthful—something instantly successful. You do not have to wait, and linger, and pay out a let of money. You can stop it over night—and I will gladly tell you how FREE. I am not a doctor and this is not a so-called doctor's prescription—but I am sured each so-called doctor's prescription—but I am eured, and my friends are cured, and you can be cured. Your suffering will stop at once like magic.

I AM FREE----YOU CAN BE FREE!

My catarrh was filthy and loathsome. It made me ill. It dulled my mind. It undermined my health and was weakening my will. The hawking, coughing, spitting made me obnoxious to all, and my foul breath and disgusting liabits made even my loved ones avoid me secretly. My delight in life was dulled and my faculties impaired. I knew that in time it

would bring me to an untimaly grave because every moment of the day and night it was slowly yet surely sapping my vitality. But I found a cure, and I am ready to tell you about it FREE. Write me
